Even through the COVID-19 crisis, which affected all of us tremendously, under my leadership we were able to adjust our sail and change direction, which resulted in Division F being the only division in our District , thus far, to achieve Select Distinguished Division. . This is a significant accomplishment, which has inspired me to stretch my limitations and challenge me to do even better.

A brief note about myself: I am a family oriented individual and a member of the Association of Chartered Certified Accountants, for over 10 years and this has contributed significant to my leadership attributes.

I am a capable and professional individual, who is able to perform to the highest standard in various areas. The foundation of my achievement to date lies in my ability to organise my time effectively, prioritise tasks, and use my initiatives to come up with possible solutions to problems.

Serving as a leader, I learnt to accept and respect others opinion. Also, it has helped me to inspire and motivate other to achieve their goals. Most of all I learnt how to be a good listener and the importance of communication.

Toastmasters, I humbly ask for your vote and thank you in advance for the opportunity to continue serving our District, together we can achieve greatness, let's put our energy and voices to action so that our District can be a better place for all.
